**Re: MERCER COUNTY INVESTIGATION**

We are aware of an ongoing investigation being led by the Mercer County Prosecutors Office. Earlier today the duty status of several members of this organization was modified. We cannot provide any additional details in order to preserve the sanctity of the ongoing investigation. We take these allegations very seriously and have implored those concerned to cooperate fully with the professionals at Mercer County. We emphasize that this matter does not directly relate to our members duties nor are there any representations of this touching on the colors of any ones office. We pray for a speedy resolution of this matter for the sake of all concerned.

Thank you.
